

## NC Community College Four-Year Baccalaureate Degree Plan (BDP)

Schedule for Full-Time Students Revised Spring 2019  
Pursuing AA Degree & transfer into **Leadership in the Public Sector** (BA) at NCSU.  
(Placed Out Of All Developmental Courses)

The College of Humanities and Social Sciences (CHASS) **strongly recommends** that students review LPS-specific admissions notes and consult an NC State transfer advisor before beginning this Baccalaureate Degree Plan. BDPs are structured for students who have completed all requirements for their associate degree and [qualify for the CAA](#). Recommended (\*) UGETC/GENED courses meet specific University, College or Major requirements. Consult your advisor for alternative choices. Following the BDP does not guarantee admission to NC State or the conferral of an associate or bachelor's degree.

THIS SHEET IS FOR ADVISING PURPOSES ONLY. Students should work with their Advisor to determine course selections that will result in the greatest transferable credit, for the intended program, upon transfer to the four-year school.

\*Note\* 4-semester outline based upon no prerequisite classes required.

- Students should seek academic advising to determine the best courses and sequence to meet their educational goals and degree requirements.
- Following the Baccalaureate Degree Plan does not guarantee admission to NC State University or guarantee an AS degree or BS degree will be conferred.

## Recommendations for Competitive Applicants & Program Notes:

NC State Undergraduate Admissions employs a holistic approach in reviewing transfer students' applications and considers a range of accomplishments and qualifications. Recommended courses and GPA are major critical path courses or departmental recommendations and are not minimum requirements for **transfer admissions**.

- > 3.0 or higher cumulative GPA
- > English Composition I & II equal to NC State's ENG 101
- > College-level Math

## Additional Eligibility Considerations for LPSBA transfer applicants:

The most competitive candidates for admission into LPS are those who have approximately 60 transferable credit hours (or an AA or AS degree with 60 transferable hours; not an AAS) and a combined cumulative transfer GPA of 3.0 from every college/university attended. However, emphasis will be placed on the most recent academic coursework completed.

Transfer credit should include a sufficient number of social science courses to satisfy the general education component of the major.

This program is not open to international students living outside the U.S.
