Recommendations for Competitive Applicants & Program Notes:

NC State Undergraduate Admissions employs a holistic approach in reviewing transfer students' applications and considers a range of accomplishments and qualifications. Recommended courses and GPA are major critical path courses or departmental recommendations and are not minimum requirements for transfer admissions.

> 3.0 or higher cumulative GPA

> English Composition I & II equal to NC State's ENG 101

> College-level Calculus

- Students should seek academic advising to determine the best courses and sequence to meet their educational goals and degree requirements.

- Following the Pathway to Degree does not guarantee admission to NC State University or guarantee an AA degree or BA degree will be conferred.
