

NC Community College Four-Year Pathway Plan

Schedule for Full-Time Students

Pursuing AA Degree & transfer into International Studies (BA) at NCSU.

(Placed Out Of All Developmental Courses)

North Carolina Community College classes are listed below in bold with the NC State degree requirements fulfilled listed next to the classes.

North Carolina State University **strongly recommends** students complete their Associate's degree prior to transferring to NCSU. Pathways are structured for students who have completed all requirements for their Associate's degree and **qualify for the CAA. Please be advised that all concentrations for International Studies require a 300-level foreign language course. All foreign language coursework is currently listed in the appropriate NC State semester but due to the number of specialized sequential courses NC State recommends that students work with their advisor and transfer advisor to determine their optimal path. Students taking a foreign language at NC State will need to take the Foreign Language Placement test prior to enrolling in Fall classes.**

| NC COMMUNITY COLLEGE FIRST YEAR | | | | |
|---|-----------|--|--|-----------|
| Fall Semester | Credit | | Spring Semester | Credit |

- Students should seek academic advising to determine the best courses and sequence to meet their educational goals and degree requirements.
- Following the Pathway to Degree does not guarantee admission to NC State University or guarantee an AA degree or BA degree will be conferred.
- Please refer to NC State Undergraduate Admissions for more information on admission to NC State and the transfer of credits to NC State: <https://admissions.ncsu.edu/apply/transfers>
