Welcome to NC State University! There is no formal schedule today. We encourage you to attend the Life at NC State and Academic Sessions - otherwise explore the events you are interested in!

Use #ExpNCState throughout the event to share pictures of your favorite parts of the day!
**LIFE AT NC STATE BREAKOUT SESSION DESCRIPTIONS**

**Arts NC State**  
Room 3210  
Arts NC State encompasses the visual and performing arts programs on campus which include: NC State LIVE, The Crafts Center, the Dance Program, the Gregg Museum of Art & Design, the Music Department and University Theatre.

**Career Services and Pre-Professional Advising**  
Room 3285  
The Career Development Center can help you choose an academic major or career, create a strong resume, conduct an effective job search and prepare for job interviews. This session will also provide information on how NC State can help you pursue a career in veterinary medicine, health care or law.

**Fraternity and Sorority Life**  
Room 3221  
Our 50 sororities and fraternities offer you the opportunity for brotherhood, sisterhood, scholarship, leadership and service.

**Honors and Scholars**  
Room 3222  
Learn more about the University Honors and University Scholars programs that will help enrich your college experience through research, collaboration and community involvement.

**Parents & Families Services**  
Room 4140  
NC State values the integral role a parent has on a student’s journey to success. Attendees will have the opportunity to ask questions and hear from a panel of current Pack Parents who have been through the college selection process and why their student attending NC State was the best match for their student and their family.

**Scholarships and Financial Aid**  
Hatteras/Ocracoke Ballroom, 3rd Floor  
Become more informed about your financial aid package which may include student loans, work study, grants and scholarships.

**Student Panel**  
Currituck Ballroom, 3rd Floor  
Hear from current NC State students as they share why they chose NC State, along with stories of their experiences as a student.

**Study Abroad**  
Room 4280  
Interested in seeing the world? Study abroad programs can change your life and build your resume while still keeping you on track toward graduation.

**Undergraduate Research**  
Room 4101  
Engage in the excitement of research! Whatever your major may be, there are opportunities to gain real-world experience, build your resume and attend undergraduate research symposiums. See how you can Think and Do at NC State.

**University Housing**  
Piedmont Ballroom, 3rd Floor  
Learn about the housing assignment process and our fifteen interest-based living communities that engage students both inside and outside the classroom.

**Your First Year (New Student Programs)**  
Mountains Ballroom, 3rd Floor  
This session from New Student Programs overview the transition programs that NC State offers to support students throughout their first year, including Summer Start. Summer Start is an opportunity to begin your NC State career early by taking up to eight credit hours toward your degree this summer while learning to navigate campus.
